

JESUS, MARY AND JOSEPH

H-10.2

Tune: "Maria zu lieben" 65.65.D

O Jesus, our Brother, your praises we sing,
Once born as a child, now our Savior and King:
O bless us, your kindred, with your tender care,
And lead us to heaven to live with you there.

O Mary, our Mother, so fair as a maid,
The one spotless womb wherein Jesus was laid;
In life let us ever be faithful and true
That death may but lead us to Jesus and you.

O blessed Saint Joseph, how great was your worth,
The one chosen guardian of Jesus on earth:
O father of Jesus, your strength we espy
When dangers surround us and tempests are nigh.

O Jesus, O Mary, O Joseph, all three,
The model on earth for our own family:
Be now our defender in this time of stress,
And help us live daily in true thankfulness.
